## **SCICOM Named to 2011 Microsoft Dynamics President's Club**

*Microsoft recognizes SCICOM for commitment to customers.*

**ATHENS — July 15, 2011 — SCICOM**, an Information Technology providing Company, has been named to the 2011 Microsoft Dynamics President's Club. This achievement is a direct result of SCICOM's outstanding dedication to customer satisfaction through the delivery of innovative business solutions.

The Microsoft Dynamics President's Club honors high-performing Microsoft Dynamics partners whose commitment to customers is reflected in their business success and growth. This prestigious group represents the top 5 percent of Microsoft Dynamics partners worldwide. Membership is granted based on their continual, committed efforts aimed at offering solutions that meet the needs of their customers.

This acknowledgment came during the Microsoft Worldwide Partner Conference 2011 (WPC), the company's annual premier partner event, which took place this year in Los Angeles. WPC provides Microsoft Corp.'s partner community with the largest opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills.

"Microsoft is proud to recognize SCICOM for its outstanding sales achievement," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "This honor is a direct reflection of SCICOM's outstanding group of employees and management team, all of whom should be very proud of this accomplishment. SCICOM plays a very important role in the growth and success of Microsoft Dynamics."

SCICOM is dedicated to helping customers find the best solutions and services to accommodate their business needs and further their success, while excelling in customer satisfaction. By collaborating with the teams at Microsoft, SCICOM maintains a comprehensive understanding of the Microsoft Dynamics platform to provide innovative solutions, services and unparalleled value to Microsoft Dynamics customers. SCICOM is recognized also by Microsoft as Gold Certified Partner.

SCICOM provides implementation, training and consultation in Greece and other near countries for small, midsize and corporate businesses using business enterprise applications. SCICOM specializes in Microsoft Dynamics products NAV, CRM and BI platform to develop and deploy solutions, such as FINANCIALS, SALES & DISTRIBUTION, SCM, MM, WMS, CRM, and in LS Retail for RETAIL BI and other VERTICAL SOLUTIONS, that help leading global companies across industries, get to market faster and achieve continued success. SCICOM's skilled professionals help customers to realize their potential through effective use of modern technology.
